

**iGEM spring workshop: Europe
Imperial College London
June 20 – 21, 2009**

Step 1

Prior to the workshop or on arrival on campus, go to:

<https://guestaccess.imperial.ac.uk/GuestLogin/GuestLogin.aspx>

Enter the login below (you do not need to know the password), then supply any additional details necessary. They will then be able to log into Imperial College resources using the guest account they will be supplied.

Username: conf00028
Password: 0eYagEh7
NT Group: conf00028-group

More detailed instructions and sequence are all on this page:

<http://www3.imperial.ac.uk/ict/services/securitynetworkdatacentreandtelephonyservices/security/securityservices/guestaccess/accessingyourguestaccount>

Step 2

Attendees wishing to connect using their own laptops and wifi will need to have a look at this link

<http://ictdrweb.cc.ic.ac.uk/ict/services/securitynetworkdatacentreandtelephonyservices/collegenetwork/networkconnections/wirelessconnection.html>

Or,
